Classroom Completion

John Price has graciously consented to head up the effort to complete the classroom construction. His goal is to have the classroom level complete by May 1st, using as much volunteer labor as possible to complete the task. He is currently looking for people who can devote time to help. If you have a bit of available time and would like to help, see John after Mass. Any and all assistance is gratefully appreciated.

A huge THANK YOU!!!! to those who have volunteered, or are going to volunteer to help with completion of the classrooms. The project is moving forward very quickly. Why not take a moment after Mass to take a look at our huge classroom area?
